SCHOLARSHIPS!

Second Quarter Mission: Beloved Community Art Center Scholarships

The Beloved Community Art Center is under development, along with community partners. The development group is planning a pilot program of music ensemble classes beginning this fall. Scholarships will enable us to compensate the music teachers while making the program accessible to all children in the community, regardless of their family's ability to pay. We invite your prayers and support for this exciting new ministry! To contribute, make checks available to Advent with notation 2nd Quarter Mission, or BCAC scholarships.
