Time to Register

We have heard from many former campers that Christian Music Theatre (CMT) was one of the biggest shapers of their faith and development all through childhood and that their lives have changed through the memories and friends they made each summer at Advent Lutheran. We invite your children to join us at CMT this summer. There will be one session offered in August. If you haven't already registered, now is the time! Please visit the [Advent Website](#).

Also, please share this information with your friends and family (especially those with younger children who may not have attended in the past). CMT is open to children of all faiths entering kindergarten through ninth grade. Every child is in the performance and by the end of the week, the children perform a full-length musical.

SCHOLARSHIPS!

Scholarships

The Beloved Community Art Center is under development, along with community partners. The development group is planning a pilot program of music ensemble classes beginning this fall. Scholarships will enable us to compensate the music teachers while making the program accessible to all children in the community, regardless of their family's ability to pay. We invite your prayers and support for this exciting new ministry! To contribute, make checks available to Advent with notation 2nd Quarter Mission, or BCAC scholarships.
